Click/press **CONTINUE** and you can then book a free rink by clicking/pressing on the rink/time and then click/press the **SELECT** button to enter info.

You then need to choose the type of session from the list provided (**the default is ROLL-UP**).

If you want to book the other part of a partially taken slot you will need to call the club and get the booking updated. Once complete click/press **CONTINUE**.

Having submitted the booking, you should receive a confirmation email. **Check your email spam filter if you don't receive one.**
