Club match fixtures, National and County competitions take preference over all bookings. However, National and County competitors should endeavour to avoid disrupting the League programme. For team Nationals a maximum of two rinks on Monday, Wednesday & Friday mornings may be used.

Note: Where necessary the Club Manager may alter individual rink allocations without prior notice for any booking.

MATCHES

Club matches are played against other Clubs and Associations. These are shown in the fixture list within this handbook and on the Club website. If you wish to be considered for selection, add your name to the match lists posted on the noticeboards.

Teams are selected and displayed on the noticeboards and website approximately one week prior to each match. Members are required to tick their names as confirmation of availability and advise Team Captains of any intending visitors and dietary requirements.

Completed entry forms and entry fees for club competitions must be submitted to the Club Manager by the published date each year.

All Club competition finals are played during the last week of the season, culminating in the singles finals and the presentation of trophies. **Please do not enter competitions unless you can make finals week.**
