WINNER

TBC

This sheet will accommodate up to 64 entries in the first column. When entries do not exceed 32 and are not less than 17, use the second column for first round. To determine number of byes, subtract number of entries (if over 32) from 64. If entries less than 32, subtract from 32. For example - 40 entries means 24 byes; 25 entries - 7 byes.
